Attachment A to this permit is the summary of our assessment of the items in your application against the Defence and Strategic Goods List.

Conditions of approval:

Failure to comply with any of the following conditions is an offence under the *Customs Act 1901* and may result in a penalty, and/or the permit being revoked by the Defence Minister.

Your permit is subject to the following conditions:

1. If any exports of Approved Goods, or supplies of Approved Technology, subject to this Permit would require a sanctions permit under Australian sanctions law, the Permit Holder must not export the Approved Goods, or supply the Approved Technology, under this Permit unless the Permit Holder has obtained the required sanctions permit from the Department of Foreign Affairs and Trade.

Review rights:

If you have any concerns about these conditions, please contact us immediately so that we can discuss them with you.

You are also entitled to make a request to the Defence Minister to review the decision to impose a condition on this permit. Your request must be made in writing within **30 days** of your receipt of this approval and must provide reasons for your request for review. Further information and guidance in relation to your rights of review can be found on our website.

Information about this permit:

1. This permit may be revoked by the Defence Minister by written notice if the Minister is satisfied that any export covered by the permit would prejudice the security, defence or international relations of Australia.
2. In accordance with subsection 240(1A) of the *Customs Act 1901*, you are required to keep all the relevant commercial documents relating to exports of these goods for 5 years from the date of exportation.
3. In accordance with regulation 13EC of the Customs (Prohibited Exports) Regulations 1958, the Defence Minister may impose new conditions on this permit, or remove or vary conditions of this permit, by written notice.
4. Existing permits can be amended by Defence Export Controls (DEC) to make small additions. If you want to make a significant addition (e.g. addition of new destinations OR multiple new end users or consignees OR significant increases in quantities OR different technology), DEC may ask you to submit a new 'Application to Export or Supply Controlled Goods or Technology'.
5. This document permits the export/supply of the items to the consignees and end-users listed within this permit. In accordance with the *Defence Trade Controls Act 2012*, if a person wishes to further supply any of the items listed in this permit wholly outside of Australia, that person may require a separate permit issued by Australia's Defence Export Controls Regulator. It is the responsibility of the permit holder to inform the consignees and end-users listed on the permit of this requirement.
